Have You Always Wanted To Play The Guitar, But Thought It Was Too Complicated?

I did too until I discovered this one simple [secret](#). Once you know it playing the guitar will be instantly fun and easy, **even if you've never played guitar before.**

You'll be able to [make up your own songs](#), [play along with any song](#) and [jam with other people](#).

The secret is knowing the key concept. Once you know it you'll realize that you just use a **simple code** to play the guitar.

If you have the ambition to play the guitar but you're having a hard time making sense of it, I feel your PAIN. I struggled for years until I finally discovered the **key concept**, then it all made sense.
